Old Inefficient Boilers:

New Boilers and Furnaces operate at efficiencies over 90%.

Some Improvements are easy and Expensive.

Recessed Lights:
The Air Leakage cost you more than running the light.

Wrap cost of improvements into your mortgage.

Gaps:

Unsealed penetrations allow air leakage costing your money.

Certified Auditors assure you a quality audit and report.

Missing Insulations:

Unseen contractor's error can go undetected for years.

You will benefit with KCG's Expertise. Contact KCG to find out how much money you can save with a simple energy audit.
